

New in 2025

Fortress Press is the premier publisher of compelling theological, biblical, and ethical engagements for the academy, the church, and faith communities.

We're pleased to share with you our full list of books that were published in 2025.

From landmark titles that have shaped decades of thought to new titles that challenge the current consensus, the scholarly book program at Fortress Press is known for quality and relevance across a range of academic disciplines.

We also publish titles that support church leaders in their efforts to lead dynamic faith communities. Topics and series cover the full range of contemporary ministry, from pastoral care and preaching to community organizing.

Our classroom offerings include engaging four-color introductory textbooks, overview texts on specific topics for secondary reading or upper-level courses, and reference volumes that lay a strong foundation.
