FORTRESS COMMENTARY ON THE BIBLE

Contexts matter

This new commentary series – excerpted from the trustworthy Fortress Commentary on the Bible – engages students, preachers, and interested readers into the challenging work of interpretation.

These individual commentaries are more accessible in size and cost, and the publishing calendar supports that year's lectionary readings. They connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues.

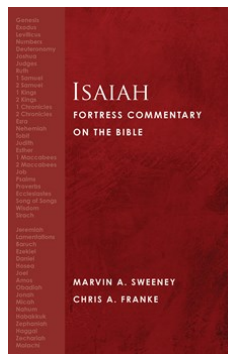

1 and 2 Kings: Fortress Commentary on the Bible
